OVERVIEW OF THE QUARANTINE PROCESS

PHASE 1
HONOLULU, HI

FLIGHT TO RMI

Phase 1 Quarantine Duration:

- 3 days of quarantine for everyone including those who are not eligible for vaccination
- Please see slide on RMI's designated quarantine hotel(s)

If you have been placed at AQC or RQC, please ensure your airline ticket final destination is Majuro, where you will deplane

If you have been placed at KLQC or USAGKA HOUSINGS, please ensure your airline ticket final destination is Kwajalein, where you will deplane

PHASE 2 MAJURO

Phase 2 Quarantine requires that everyone (including fully vaccinated travelers) undergo 14 days of quarantine in the RMI before being released to the community

Phase 2 Quarantine in the RMI may require you to room with someone else to reach maximum capacity per room.

PHASE 2 KWAJALEIN

Please ensure you have a ride or flight from your Phase 2 Quarantine site to your residence or ensure you have a place to stay if there is no domestic flight (AMI) scheduled on the day of your release

The only airline that provides domestic flights within the Marshall Islands is Air Marshall Islands (AMI) and no other airlines, regardless if they will accept your reservation. Only AMI services domestic flights within the RMI at this time.

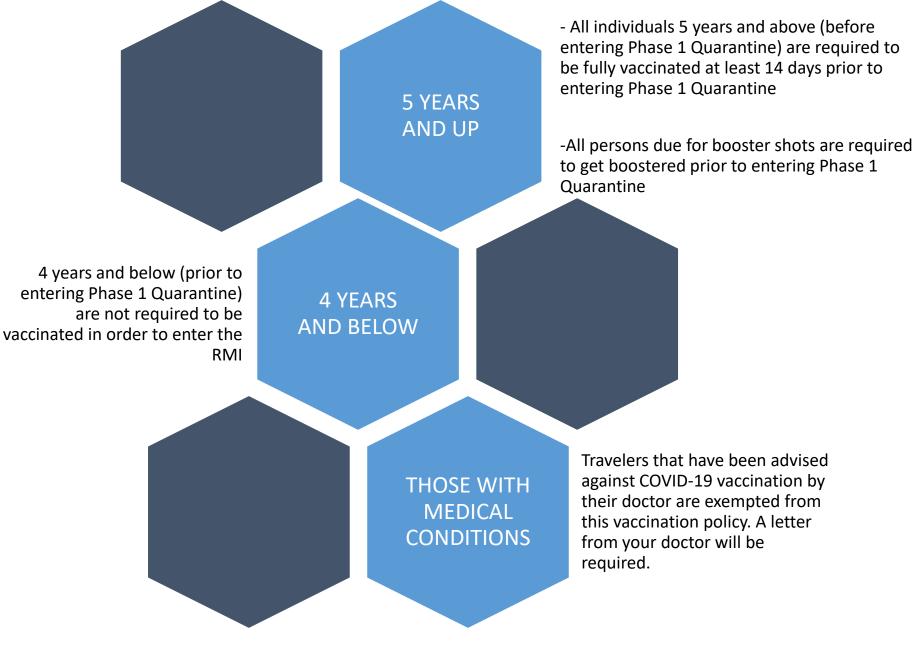

YOU CAN BOOK YOUR RMI DOMESTIC FLIGHT WITH AIR MARSHALL ISLANDS (AMI) ON THEIR WEBSITE

https://www.airmarshallislands.net/

COVID-19 VACCINATION & BOOSTER* IS REQUIRED TO ENTER RMI

* Booster requirement applies only if you are or will be due for booster prior to entry date into Phase 1 quarantine site

WHAT HAPPENS IF YOU ARE TESTED POSITIVE FOR COVID-19 WHILE IN QUARANTINE?

REPORT TO STATE OF HAWAI'I

- The State of Hawai'i requires reporting of any positive cases while in their jurisdiction. We will have to report anyone who is positive during quarantine
- You may be required to go into Hawai'i designated buildings/hotels for isolation per the State of Hawaii protocol

RELEASE FROM RMI SAFE TRAVELS PROGRAM

• Upon receiving confirmation of positive result, you and any close contacts will have to be released from the group. Please ensure you have a back up place to stay in Honolulu as you will not be able to continue quarantine with the group and will also not be authorized to board the airplane if positive.

AUTOMATIC RE-INSERTION TO RMI SAFE TRAVELS FUTURE GROUPS

• Upon clearance from the infection, you will automatically be re-inserted into the next quarantine group if space is available

ROOM MATES

- Room mates of a positive participant will also need to exit the program even if she/he has a negative result
- Reason for this extra layer of protection Although an exposed room mate may be negative, it may be that he/she is still in incubation period

REMEMBER TO CONTINUE PRACTICING HEALTHY PREVENTATIVE MEASURES
